4. Medical Information

Parents and Carers are requested to record any relevant medical information (and notify the Club of any changes) - but it is also very important that Parents and Carers keep coaches, managers and (adult) team captains directly informed of Children's medical conditions, as access to this information may not be available in some environments.

Please also note that by signing this form you acknowledge that in the event of illness or injury steps will be taken to contact a Parent/Carer and to deal with injury/illness as appropriate.

Health issues that HMHC Youth Section should be aware of :

5. Other Consents

It is a requirement of Harleston Magpies Hockey Club that parental/legal guardian consent is provided in relation to Codes of Conduct, Transportation, Photography and Data Privacy.

Supervision/Transportation/Photography

All Parents and Carers are reminded that :-

- i) at training sessions they are expected to remain at the Club/Clubhouse whilst training takes place - unless they nominate another named responsible adult in the event of an issue arising (e.g. injury). Any children not attending training but remaining at the Club should be supervised at all times.
- ii) for minis tournaments (U10s and U12s) - they are expected to remain at the venue with their child - unless they nominate another named responsible adult in the event of an issue arising (and have notified the relevant manager or coach).
- iii) at training sessions for younger age groups - they (or a nominated responsible adult) should be available to escort children across the car park to the toilets/club house (coaches need to remain on the pitch to supervise other children).
- iv) with respect to transportation (applicable to all U18 members) it is not the Club's responsibility to transport children to and from fixtures. If you have any objections with other parents/guardians, adults or players associated with the Club transporting the above to Tournaments/Matches, it is your responsibility to provide transportation on all occasions when your child is selected for a team.

v) with respect to Photography, in some environments, particularly adult competition it is impossible to control photography by external parties. Therefore, there may be times that photographs and/or footage may be taken during matches and training sessions by approved agents and/or officers of Harlestone Magpies Hockey Club. Photographs taken as per the above may appear in the press, on the Club Notice Board or Club Website/Club Social Media.

vi) The latest information on Safeguarding policies, guidance etc. and the Club's Data Privacy Policy can be found on the following page on the new Website :-
