Dear Parents and Carers,

I am writing to thank you for your support over the past few days, we are all working hard to ensure that we keep our children as safe as possible and welcome them into school with the support that they need.

I know that some of you have expressed concerns about our new entrance and exit routines and I review these daily. I will be reviewing at the end of the day today, with SLT to see if there are any changes which we need to make in order to support you to bring your child into school. Any changes will be shared with you this afternoon, after our meeting so that they can be put in place for Wednesday.

I have been overwhelmed with supportive emails from members of the school community and must thank those of you who have done this. I appreciate your ideas and support in this matter.

We all want what's best for our children. I am currently in my mobile watching our children at lunch break and they are having a great time playing outside in the sun. They are so happy to be back in school and with their peers.

Once again, I thank you for your continued support.

Kindest Regards,

Hannah Holgate
