Tuesday 14th September 2021

Dear families,

Now that term is underway and the children are getting used to travelling on the bus again, I thought it might be useful just to go over one or two helpful points with regards to COVID-19 and the children being as safe as possible.

The buses will be well-ventilated and the bus providers will have their own protocols and cleaning regimes. However, it is worth reminding the children that they should wash their hands before they get on the bus and also when they get off the bus (they will be asked to do this in school too). Face masks should of course be worn and any pupil is advised not to use school transport if they show any symptoms.

The school regularly liaises with the bus providers and if there is any additional information then we will pass this on to you.

Best wishes

Mark Carlyle
Head of School
