- The consistent application of the behaviour policy by all staff
- Engagement by all stakeholders in the development of positive behaviours for learning

- Further develop and embed the evaluation of the effectiveness of the school as a Church school
  - The development of the strategic leadership and direction of the Harleston Federation as we work towards the development of a transformational educational experience through the All-through School
  - Embed the Federation vision, evidenced in all aspects of school community life
  - Develop the religious character of the school in line with the development points from the SIAMS inspection

- Develop engagement with stakeholders, to ensure parents and other partners support the work of the school
- Develop regular and effective communication with stakeholders, through social media, letters, local press, phone calls
- Ensure communication between school staff is clear, consistent and transparent, so that there is a shared

understanding of the school's improvement and development
