Dear Parent/Carers

Covid-19 Update

Further to the letter from Mr Connelly dated 22nd November detailing a cluster of Covid-19 cases in Year 3, we have now experienced a smaller cluster of cases in Malala class.

We continue to review our risk assessment daily allowing for the changes that are happening and we continue to remind children of the importance of regular hand washing. As well as the additional steps detailed in the letter, children in this class are now eating their lunch in the classroom.

We are aware that this is an unsettling time but we continue to review our position, prioritising community safety and wellbeing. As a school we are reviewing our risk assessment daily and are in contact with the Norfolk Outbreak Management Team and Public Health England. Should your child experience any Covid-19 related symptoms it is advised that they have a PCR test. For information regarding when to isolate please visit:-

We thank you for your ongoing support.

Regards

Yours sincerely
